Want to learn more about Education Abroad?

Send us an email at abroad@ipo.umass.edu. Tell us what your goals are for your time abroad.

Are you ready to get started?

Is your application cycle open?

- No
  - It is too early to start your application, but not your research!
    - Meet with your Academic Advisor(s) and let them know you want to go abroad.
    - Map out your semesters and see when the best times are for you to go.
    - Find out if there are any classes you must take at UMass and when they are offered.

- Yes
  - You’ll find your next steps here!

It’s not too early to look for scholarships. Even if you aren’t planning on going for a few semesters, you’ll want to know when your deadlines are and start writing your essays.

If anyone tells you “No…Can’t…Not Possible…” come see us!
